Triumph 6550 EP

The 6550-EP makes an ideal upgrade from your present Triumph cutter. It cuts up to 25 ½", so you reduce costs by using larger paper stock.

6550 EP Programmable Cutter

- * 25 1/2" cutting width accommodates parent stock
- * Programmable "EP" back gauge control module with LED display stores 9 programs (up to 9 steps each) and frequently used measurements
- * Control module features repeat cut and eject functions
- * Electric blade, clamp, and back gauge drive
- * Automatic clamp can be lowered or raised independently from blade
- * Electronic hand wheel with variable speed control for manual back gauge setting
- * Dual side guides on front and rear tables
- * Optical cutting line
- * Solid steel blade carrier
- * Stand with storage shelf
- * UL and C UL approved

SAFETY FEATURES

- * External blade depth adjustment
- * Two-hand operation
- * Transparent safety guards on front and rear tables
- * Disc brake for instant blade stop
- * Automatic blade and clamp return from any position
- * Safety lock with key and main switch
