Triumph 5550 EP

Redesigned for the on-demand market, the 5550-EP features an upgraded keypad which holds nine programs with up to nine steps in each. Its adjustable hydraulic clamping pressure allows mark-free cutting of carbonless, cast-coated and other specialty papers.

5550 EP Programmable Hydraulic Cutter

- * Programmable "EP" back gauge control module with LED display stores 9 programs (up to 9 steps each) and frequently used measurements
- * Control module features repeat cut and eject functions
- * Hydraulic blade and adjustable hydraulic clamp drive
- * Clamp pressure is fully adjustable between 1,900 and 3,800 psi
- * Electric back gauge drive
- * False clamp and foot pedal for pre-clamping
- * Electronic hand wheel with variable speed control for manual back gauge setting
- * Optical cutting line
- * Mounted on casters
- * Durable stainless steel work surface, front and rear
- * Solid steel blade carrier
- * Optional side tables extend working surface
- * UL and C UL approved

SAFETY FEATURES

- * Two-hand operation
