## DC-645 Duplo Slitter/Cutter/Creaser

The DC-645 is the ideal finishing solution for digital color documents. Unlike any in the industry, the DC-645 slits, cuts, and creases documents in a single pass at an incredible speed of 26 sheets per minute. Unattractive white borders and cracked spines of digitally printed documents are problems of the past as the DC-645 produces a wide variety of professional quality, full-bleed applications such as business cards, greeting cards, invitations, brochures, pamphlets, catalogs, posters, book/CD covers, photographs, and more by simply loading the automatic high-capacity feeder. Features include:

- \* Up to 6 slits, 15 cuts, and 10 creases in 1 pass
- \*Processing speed up to 26 sheets per minute
- \* Automatic image shift compensation
- \*Barcode reader for automatic job set up
