DUPLO DS-416 Slitter

Saving time and money has never been simpler or faster! Designed to make the most out of 2-up images by splitting the the printed sheets into two even documents, the DS-416 Slitter complements digital duplicators, photocopiers, and laser printers. It is the ideal machine for creating vouchers, tickets, place cards labels, identification tags, and more.

Accommodating a variety of paper stocks from 198 lb. to 40 lb. and sizes from index to ledger, the DS-416 Slitter is another monument to Duplo engineering that provides maximum flexibility for a full range of finishing solutions.

Key Features:

- * Feeding pressure lever accommodates for a variety of paper sticks.
- * Side guides effectively handle different form widths.
- * Dual knife ensures precise and accurate cutting
- * Durable construction provides consistent and reliable performance.

Specifications:

Model type Desktop

Cutting method Dual knife

Paper size Max: 11" x 17" Min: 3.5" x 5"

Paper weight 18 lb. - 40 lb.

Paper feed method Friction feed system

Paper capacity 100 sheets (20 lb.)

Cutting speed 60 Hz., 200 sheets per minute (20 lb.)

Power source AC 120V 60 Hz

Power consumption 0.3A (30W)

Unit size Height: 9.26", Width: 16.75", Depth: 19.50"

Weight 27 lb.
